STUDENT ASSOCIATION MINUTES

Tuesday night, December 5, 1967, at 6:00 p.m., the Student Association met in the SA office for its weekly meeting. All the Council was present except President O'Neal who was in Oklahoma City on business. Vice-President Van Rheenan presided at the meeting. The meeting was opened with a prayer led by Ronnie Reeves.

BUSINESS

All-School Basketball Games

Gailyn suggested some possible games to recommend as next semester's all-school away games. From the list, Ronnie moved that the following games be recommended for the all-school games.

January 27	Quachita
February 6	State College
" 13	Henderson
" 16	Arkansas A&M

Petty Cash

It was announced that \$2.15 is missing from the petty cash fund.

Lott Tucker Conference

Richard reported on a conference Mike and he had with Lott Tucker.

Mr. Tucker said he would check on repairing the brick sidewalk between the lily pool and the bell tower. Ronnie reported that Sub-T had planned discussing this matter at their meeting last night.

Mike suggested removing the intercom from the AD Building into Patti Cobb because it is never used by the teachers. Dr. Joe approved of the idea, but Mr. Tucker only stated his plans to check into it.

It was suggested to use the building across from the laundry for a book exchange. Mr. Tucker reported his intention to first check with Mr. Dykes about saling used books at a lower price in the bookstore. A SA book exchange would make competition for the bookstore.

Fire Protection Report

Richard presented his detailed report on the fire protection apparatus in campus building which he initiated in October. His report was in the form of a proposed recommendation for the improvement of poorly protected buildings. He reported that Harding is responsible for its working out its own protection system. However, the local and state fire department would assist the school in evaluating its protection on campus if the administration would request it in a written form. Presently, on this campus fire protection is left to ~~the student~~. UP TO THE ADMINISTRATION.

After Richard's detailed report on how to modernize each building's fire protection, Judy Worth moved to adopt the proposal as a formal recommendation to the administration. Sam seconded the motion. The Council passed this proposal. Richard is to have the recommendation typed for the Council members to personally evaluate.

Food Baskets

The idea to have a food basket drive was mentioned. Helen moved not to have the drive this Christmas but possibly later on. Some of the reasons against the drive now are;

Too late to start the drive
Already had a Viet Nam drive this semester
Christmas is a time when all give to the needy.

Mary K Walker seconded the motion and it passed. Judy suggested a shoe drive sometime after Christmas.

Christmas

Decorations-Judy expressed a need for \$10 more over her \$50 appropriations for decorations. For fear of further formal SA action, Ronnie went ahead and moved that a maximum of \$25 more be appropriated for the decorations. Helen seconded the motion; it passed. Judy reported her plan to try not to spend over the \$10 originally requested.

Melodrama-Dave suggested for the Christmas melodrama director, Hank McDaniel, that \$10 more be appropriated for a stage-drop for the singers. Dave, then, moved to have the \$10 appropriated and Ronnie seconded the motion. The Council approved.

Door Decorations--Judy mentioned the idea of again having a door decoration contest in the girls' dorms as was done last year. Sam moved that the Big Sisters be requested to initiate competition for the girls to decorate their doors for Christmas. Judy seconded the proposal and it passed.

Pilot Project

Mike has asked the Council for suggestions on the Pilot Study discussion. Sam suggested asking the students to accept a challenge against the Associated Women for Harding to purchase two station-wagons before they are able to obtain their one. Dave mentioned that cooperation among the students and teachers in saving Gold Bond stamps for the car should be encouraged to assist the Associated Women, too.

Alumni Field

Rick Harris suggested the need for some type sidewalk beside the street to Alumni Field. Dave suggested going across

the Academy football field. Dr. Gilliam noted that a sidewalk near the street would have to be placed across from the railroad tracks. Dave suggested and moved that this sidewalk suggestion be recommended to the building and grounds committee. After Helen's second to the motion, it carried.

Friday Game

Ronnie moved that Friday's away basketball game against Arkansas College in Batesville be made an all-school game. Rick seconded the motion and it passed. Gailyn is calling Dr. Joe tonight for the approval.

It was decided to check old minutes about the promotional price plan.
